Additional Science books and revision guides

	Brief Summary	Cost
Course book: AQA Science Additional Science produced by Nelson Thornes ISBN: 978-1-4085-0824-4	This is a textbook and not a revision guide. Students have access to this textbook in class and it is an excellent resource for encouraging independent learning and if your child feels they need to catch up on Science they have found tricky in lessons.	The same book covers both Foundation and Higher Tier. £22.99
Revision Guide GCSE Additional Science for AQA The Revision Guide produced by CGP ISBN 978-1-84762-762-9	Available in Foundation tier and Higher tier versions. Students always want one of these as it serves as a set of revision notes and reassures them of the content required for their examinations. It is very good for checking that they recognise all the concepts and for revising Knowledge Recall.	Foundation Tier £3.00 Higher Tier £3.00
Workbook GCSE Additional Science for AQA The Workbook produced by CGP ISBN 978-1-84762-763-6	Available in Foundation tier and Higher tier versions. This is an excellent resource for the student who wants to put pen to paper and really engage in learning their Science. The workbook runs alongside the revision guide and has example questions linking directly to the content and pages of the revision guide.	It is recommended that you also purchase a revision guide to support this resource. Foundation Tier £3.00 Higher Tier £3.00
Workbook answers GCSE Additional Science for AQA Answer book produced by CGP ISBN 978-1-84762-761-2	Just for Parents: Available in Foundation tier and Higher tier versions. This book contains all the answers for the exercises in the workbook. Only buy the answers if you as a parent want to support your child when using the workbook as a student should be able to answer all the questions in the workbook by using their notes and revision guide.	Foundation Tier £1.00 Higher Tier £1.00
